

It's Not for Everyone... But It Might Be for You

Start a new service in an established boutique referral clinic, with ample logistical and financial support. OREV Specialty Vet Care in Portland, Oregon is looking for an enthusiastic, collaborative **internist** who cherishes animals and their profession to join our multi-specialty team.

We offer:

- > A cohesive, dedicated, family-like team centered on patients and people
- > The chance to work in a new, state-of-the-art facility (endoscopy, laparoscopy, 16-slice CT etc.) located in a charming central Portland neighborhood
- > An established referral practice with an outstanding reputation and solid community relationships
- > Base pay salary with production bonuses
- > A full benefits package (medical, vacation/sick pay, retirement, continuing education, licensing fees and professional liability insurance, etc.)
- > A relocation bonus
- > The opportunity to live in the beautiful green Pacific Northwest, with the coast and the mountains just a short drive away
- > An environment centered on care, not quarterly goals

We support a healthy life-work balance, and will consider both part-time and full-time positions.

We love our work and our lives here in Portland. You will, too!
