

Do good work and have time for the rest of your life.

WORK 3 DAYS A WEEK. FOCUS ON QUALITY CARE.

OREV Specialty Vet Care, an established boutique referral clinic in Portland, Oregon, is looking for an enthusiastic, collaborative **oncologist** to join our solid Oncology service, with our seasoned oncologist and outstanding reputation. You'll have a dedicated staff, a calm and convivial work environment, and the opportunity for true work-life balance.

We offer:

- > A cohesive, family-like team centered on patients and people
- > The chance to work in a new, state-of-the-art facility (16-slice CT, dedicated chemo hood, ultrasound, etc.) located in a central chic Portland neighborhood.
- > An established referral practice with an outstanding reputation and solid community relationships
- > Base pay salary with production bonuses
- > A full benefits package (medical, vacation/sick pay, retirement, continuing education, licensing fees and professional liability insurance, etc.)
- > A relocation bonus
- > The opportunity to live in the beautiful green Pacific Northwest, with the coast and the mountains just a short drive away
- > An environment centered on care, not quarterly goals

We support a healthy life-work balance, and will consider both part-time and full-time positions.

We love our work and our lives here in Portland. You will, too!
